MODULE 7: A SENSE FOR DETAIL AND STYLE

EXERCISE 2: STRUCTURE

STRUCTURE

Choose a building. Look at two-dimensional shapes and three-dimensional forms. How does the building stretch up? How is it structured? Is it the same in the new and old parts? Look for frames, supports and suspensions. What give strength to the structure? What materials are strong and heavy? What materials are strong yet light?

CONTRAST

Old - new
Dark - light
Bright - dull
Shiny - matt
Vertical - horizontal
High - low
Regular - irregular
Large - small
Symmetrical - asymmetrical
Rough - smooth
Balanced - imbalanced

Can you find more?

Complete the activity by making a sketch / film clip / poem / blog / vlog / song of how you perceive the building!
