

About ACRIC Project

21st century cities are facing a range of problems

Citizens are disengaged from civic processes that steer urban development

Empower how citizens to become more engaged

In urban development (neighbourhood and design of the urban form)

5 European countries

Explore how community champions can help bridge the divide between institutions & citizens

Explore how best practice is emerging to empower citizens

Co-funded by the Erasmus+ Programme of the European Union

This project has been co-funded with support from the European Commission. This publication reflects the views only of the author, and the Commission cannot be held responsible for any use which may be made of the information contained therein.
